16:15	16:30	Closing Remarks			
16:30	18:30	Happy Hour with Colorado Pharmacists Society			

## Keynote Address

*Michael Hinnenkamp, PharmD*

**Michael Hinnenkamp** Michael is a pharmacy manager for King Soopers and has worked with the company for 11 years. He is a residency site coordinator for the King Soopers/University of Colorado PGY-1 residency. He has been an active member of the CPS legislative committee for several years, including being a member of the Pharmacy Practice Act sunset task force. Michael was named the 2022 CPS Pharmacist of the Year. He desires to become more involved with the CPS and to bring an active voice for the needs of the community pharmacy workforce to its board.

## Welcome from the Chairs

Welcome to our *second annual Residency Conference of the Rockies*. This conference is designed to provide an opportunity for residents to present their yearlong achievements, share knowledge, and collaborate. **Fifty-six residents** will be on deck to present their research, nearly **tripling** our first year's attendance! This highlights the prior year's success and the decision to provide a local option for our Colorado and neighboring states to join a robust conference.

A big shout out goes to the residency program directors and preceptors who spend countless hours educating and molding our residents. Your support and mentorship continue to help residents thrive throughout their careers and is a testament to their success. Thank you!

We are also grateful for the support from the Colorado Pharmacist Society (CPS). CPS has made it possible for the conference to come to fruition. It is our goal to continue and grow each year the Residency Conference of the Rockies. See you there!

*Jody Adams & Maxie Friemel*

# Resident Evaluation Process

## Resident Presentation Evaluation

Residents and preceptors are encouraged to attend presentations throughout the day to support their colleagues. We ask that you submit a minimum of **4 presentation evaluations**, but more feedback is highly encouraged.

Submit each evaluation using the QR Code below. Abstract numbers are listed next to the resident's name in parenthesis on the schedule and included on their presentation slides.

[Residency Conference of the Rockies Evaluation Form Survey \(surveymonkey.com\)](https://www.surveymonkey.com)

Feedback will be sent to the primary resident preceptor or residency program director via email after the conference concludes.

# Thank You

## ***RCOR-Subcommittee***

**Co-Chair - Maxie Friemel, PharmD, MS, BCPS**
